

## Check In – Do Not Show on MAR Chart

Controlled drugs require a second signature when administered.

Click on the **Check In** icon.

Select the appropriate **resident**.

Click on the medication you do not want to show on the MAR chart.

**Show on MarChart**

The **Show on Mar Chart** icon is automatically ticked. Click on the icon so that a **red cross** appears. When you are finished making changes, click **Check in** or **Save**.
