

Vitals - COVID-19 Vaccination

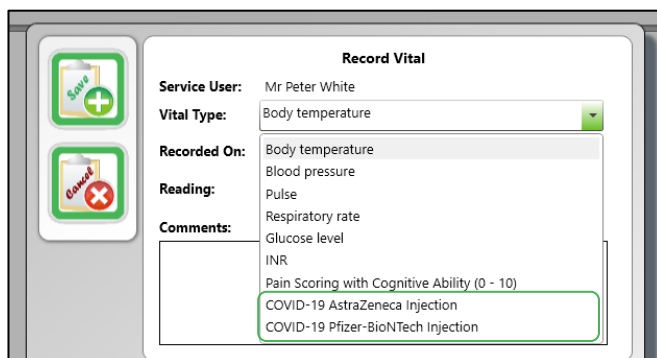

A Service User's COVID-19 Vaccination history and administration can be recorded within the Vitals section in eMAR.

In a Wi-Fi area, click on the **Sync Data** icon before starting the **Check In** or **Meds Round**. This will synchronise the data on the device with eMARx Central and update any medication changes from the pharmacy.

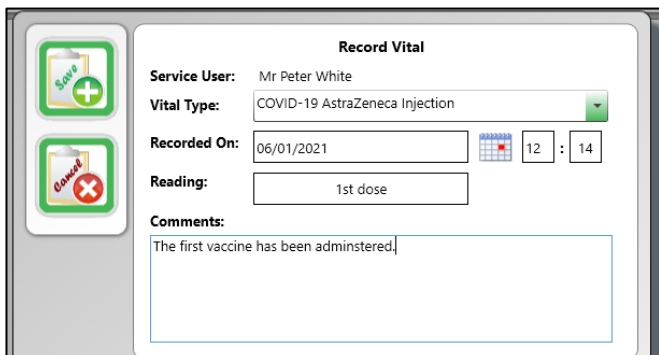

Click the **Vitals** icon on the left of the screen.

The screenshot shows the 'Record Vital' window. On the left is a sidebar with 'Save' and 'Cancel' buttons. The main area contains the following fields:

- Service User:** Mr Peter White
- Vital Type:** A dropdown menu currently showing 'Body temperature'.
- Recorded On:** A list of vital signs: Body temperature, Blood pressure, Pulse, Respiratory rate, Glucose level, INR, Pain Scoring with Cognitive Ability (0 - 10).
- Reading:** A text input field.
- Comments:** A text area containing a list of COVID-19 vaccines: COVID-19 AstraZeneca Injection and COVID-19 Pfizer-BioNTech Injection.

This is the **Record Vital** window. You can select to record a **COVID-19 vaccination** by selecting the specific vaccine from the **Vital Type** drop down.

Record Vital

Service User: Mr Peter White

Vital Type: COVID-19 AstraZeneca Injection

Recorded On: 06/01/2021 12 : 14

Reading: 1st dose

Comments:
The first vaccine has been administered

Save +

Cancel X

Enter the relevant information into the box named **Reading** e.g. **1st Dose** or **2nd Dose**.

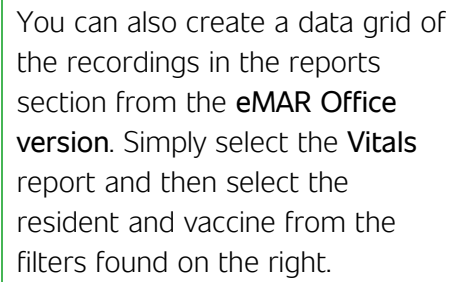

You can click the calendar to enter a recording for a past date or time. You can also enter any comments relating to this recording. Once entered, click **save**.

To view the record history, click on the **Vitals** icon found on the Home screen.

Select a resident from the right-hand side of the page and proceed to select the specific vaccination from the **Vital** drop down. This list can be printed by selecting the print icon to the left. Additional Vital Records can be recorded by selecting the green plus icon to the left.

These can also be printed by selecting the print icon in the toolbar above the displayed report.
